

Nissan Forklift Parts

Nissan Motor Co. Ltd prides itself on reaching total customer fulfillment when enjoying one of their car, truck or forklift products. They are committed to offering high value and detail-oriented quality values to their customers. Incorporating a prosperous heritage combined with strong manufacturing principals, Nissan lift trucks supply many of the finest materials handling equipment the industry has to offer.

Nissan Forklifts has a short time ago added a European manufacturing warehouse in Sweden to sustain their worldwide lift truck demands. Committed to providing consumer support, the business has four independent production facilities that allow them to constantly adapt to their consumers continually evolving needs by providing a range of modern ideas and concepts.

Nissan Forklift operations for North and South America is based in Marengo, Illinois. Home to a staff of 350 personnel, they are dedicated to the design, fashioning, and support of their lift truck products. Utilizing ISO standards (ISO-9001 and ISO-14001 certifications) this permits sectors of the Nissan Forklift Operation to maintain environmental accountability by using techniques and procedures that lessen their environmental footprint. These high values remind customers that Nissan operates under the quality seal that their customers demand while being an environmentally responsive company.

Nissan is fairly certain that any of their consumers queries and client worries directed towards them can be fully addressed. Always available through their website or by calling 800.871.LIFT, reaching one of their locally sanctioned sellers or even traveling to their Midwestern facility, Nissan Forklift Corporation is confident you will be impressed with their hospitality and commitment.
