

## Trek Parts

TREK Cleaning Machines is a manufacturer of cleaning machines. Jim Hartsock, Chris Knowlton and Bob O'Hara, TREK's founders, have more than sixty years of experience effectively marketing, manufacturing, designing, developing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their customers and are devoted to offering top quality and new design concepts so as to meet the diverse requirements of their customers.

TREK Cleaning Machines always offers fresh design ideas as shown in their product development. They enjoy providing items that energize both their dealers and their partners and offer production gains to their clients.

The TREK team of employees enjoys new tasks and new challenges. They are really proud to introduce its breakthrough technology found in their Torsion scrubber line. This line was motivated by the understanding of operators' requirements and skills combined with their understanding of cleaning applications, along with owners' strong desire to considerably lower cost through productivity gains.

The employees at TREK and their dealer-partners are strongly dedicated to having both parts and technical support available when it is required. Their high service devotion is amongst the core values in their customer service. Keeping their clients' cleaning machines ready and working on a daily basis is top priority. The company's top of the line technology delivers dependable equipment that eventually lessens your cost of cleaning. The price, the service and the product all work as one to make them an industry leader.
